

Rules and Regulation Out of the New Idaho Off-Highway Vehicle Program

Off Highway Requirements

There are three requirements for ATVS and motorbikes operating off-highway on an unmaintained road, trail or area:

- A valid motorbike/ATV registration sticker.
- A helmet under age eighteen
- A muffler and forest service approved spark arrestor. Your muffler has to pass 96 db at the half-meter test

On Highway Requirements

The following are only some of the requirements to operate a motorbike or ATV on roads, which are part of the state, county or city highway system, and paved roads on public land management agency lands. In general, these are roads that are paved or have a well-maintained gravel surface:

- Valid Driver's License. If you are operating a motorbike, you must have a motorcycle endorsement.
- Valid registration as a motor vehicle, unless exempted.
- Display of a valid license plate.
- Valid liability insurance.
- Carry Proof of liability insurance in vehicle.
- Brake Light
- Headlight & taillight after dark/poor visibility
- Helmet under age eighteen
- Mirror showing roadway 200 feet behind the vehicle
- Horn must be audible at 200 feet.
